STUNNING COTTAGE

Style and comfort are inseparable in this stunning cottage. A tasteful combination of brick and siding on the facade of this home gives it a polished look.

The open floor-plan lends itself to easy living, stretch out in front of the fireplace while chatting with family in the eat-in kitchen. Retreat to the master suit complete with large walk in closet, double bowl vanity and glass corner shower. At the front of the home are two additional bedrooms tucked away in their own privet space. Plenty of closets make this a great family home.
