

Northport

EXTRA LARGE PANTRY

This spacious ranch home is designed for livability with its drop zone and separate laundry off of the cook's kitchen, featuring a large pantry and prep island. Eat in dinette opens into an oversized great room with fireplace and open stair case to a large basement.

A large master closet and bath separate generous kid's bedrooms. A large foyer with plenty of storage leads you to the covered porch. Exterior features include maintenance free vinyl siding and accent brick to give the curb appeal you desire.
