

Pentwater

ONE STORY CLASSIC

This sleek home plan has a contemporary hip roofline giving it easy street appeal. Greet your guests on the covered front porch and invite them in.

A giant cathedral ceiling expands the family room of this Ranch house plan. Three windows in the spacious family room will give plenty of natural light. Both the dining room and kitchen are open to the family room, giving you wonderful views from room to room. Sliders in the dining room lead out to the backyard where you can add a deck or porch.

Two bedrooms occupy the front of this home and share access to the nearby full bath. This master suite will beckon you inside at the end of the day. The private bathroom has a shower and two sinks with a large walk-in closet making it the perfect refuge.
