## PERFECT STARTER HOME

This traditional home would make a perfect starter home, and it's just right for a pair of empty-nesters. A quaint covered entry welcomes you into a foyer leading you past two bedrooms and a full bath to the large family room. The kitchen has generous counter space and a snack bar overlooking the family room. A cozy dining area has a sliding glass door to the back yard. The garage accesses the home through a drop zone.

Another attractive feature is that the master bedroom is separated from the other bedrooms for maximum privacy. Convenient to the living area, this spacious master suite has a private bath with a double vanity and extra large walk-in closet.
